Apex Volleyball Club Attendance Policy 2020-2021

1) Our national teams, will practice two times a week starting the second week of November. One of these practices could be on the weekend. For our regional teams, there will be at least one practice during the week and one on the weekend. On weekends that there is a tournament, there will only be one practice during the week. Regional practices will not start in full-season until after Christmas. Practices will be limited in December.

2) Players may miss 2 practices due to illness or school activity (non-athletic) that they are involved in without losing playing time. If a player misses practice for another reason, playing time may be lost. This does not include missing practice because you are involved in a MSHSAA junior high or high school sport. If you choose to play club in another sport during club volleyball season and miss practices, those will count against you. If you are injured, we do, require that you come to team practices and tournaments to watch, listen, and learn whether you can play or not! You are still part of the team and can add/learn by being present at practice or tournaments.

3) Attendance will be taken at practice and turned into the club director, Sue, monthly. Practices cover important learning opportunities and players will not have favorable experiences when practices are missed. Always inform the coach through Group Me and NOT a teammate before the scheduled practice. If you are going to be absent, tell the coach as soon as possible, not 10 minutes prior to practice starting! Coaches spend a great deal of time in their practice plans and the number of players does change things!

4) If you are on a national team and miss practices and tournaments this will affect your position on the team next year. A lot of money and extra time are put into the National teams and we have to have the entire team in attendance to be successful.

By signing below I acknowledge and understand the commitment of my time that is required to play club with Apex Volleyball Club.
